

# West of Scotland Area Meeting

## How we get things done

### Offer of service form

A vibrant meeting is dependent on active participation. The nominations committee finds it hard to know all Friends sufficiently to discern the most suitable nominations for the work of Area Meeting to get done. Please help us to know you better by completing this form on the reverse side.

#### **Posts which we always need to fill include:**

elders, overseers,  
clerks, trustees, treasurers, record keepers,  
communications and events facilitators

Many people are needed to ensure that the Area Meeting continues to operate successfully as a community sharing responsibility.

Appointments usually last for no longer than 3 maximum 6 years but there is great flexibility to accommodate Friends changing circumstances.

#### **Representatives:**

From time to time we seek people to represent the Area Meeting at Quaker events and conferences or on other related bodies. There are many topics covered, including in no order:

peace & social witness (non-violence, economics, housing, parliament, prisons), other testimonies and sustainability, inter-faith, outreach, disability.

If you would like more information, why not speak to one of us? Often training is available for posts, so absence of experience may not be a bar.

West of Scotland Area Meeting Nominations committee (October 2016):
