

Response ID ANON-RK58-D2A7-R

Submitted to Scotland's draft Circular Economy and Waste Route Map to 2030 - consultation
Submitted on 2024-03-13 15:08:50

Part A : Reduce and reuse

1 To what extent do you agree with the priority actions proposed within the Reduce and Reuse strategic aim?

Agree

Please provide evidence to support your answer if possible.:

Good to include more products in Extended Producer Responsibility schemes, but overall the "priority" area then remains quite small as percentage of waste

2 To what extent do you agree with the further actions to 2030 listed across the Reduce and Reuse strategic aim?

Agree

Please provide evidence to support your answer if possible.:

The actions could be more bold in promoting responsible production and consumption. Targets are needed!

Part A: Modernise recycling

3 To what extent do you agree with the priority actions proposed within the Modernise Recycling strategic aim? Please provide evidence to support your answer if possible.

Agree

Please provide evidence to support your answer if possible:

Again, targets to reduce consumption are as important as tackling waste-streams - the recycling aim needs to be linked to other strategies otherwise the approach does not feel sufficiently systemic

4 To what extent do you agree with the further actions to 2030 listed across the Modernise Recycling strategic aim? Please provide evidence to support your answer if possible.

Agree

Please provide evidence to support your answer if possible:

as above

Part A: Decarbonise disposal

5 To what extent do you agree with the priority actions proposed within the Decarbonise Disposal strategic aim? Please provide evidence to support your answer if possible.

Strongly agree

Please provide evidence to support your answer if possible:

Please note that construction waste should not be exempted from targets (accounts for 50% total waste in Scotland)

6 To what extent do you agree with the further actions to 2030 listed across the Decarbonise Disposal strategic aim? Please provide evidence to support your answer if possible.

Strongly Agree

Please provide evidence to support your answer if possible:

Part A: Strengthen the circular economy

7 To what extent do you agree with the priority actions proposed within the Strengthen the Circular Economy strategic aim? Please provide evidence to support your answer if possible.

Strongly agree

Please provide evidence to support your answer if possible:

Priority should include monitoring of progress and setting of new CE targets, as described

8 To what extent do you agree with the further actions to 2030 listed across the Strengthen the Circular Economy strategic aim? Please provide evidence to support your answer if possible.

Strongly agree

Please provide evidence to support your answer if possible:
With citizens consulted on potential changes to waste management

Part B: Impact assessments

9 Please provide any further information or evidence that should be considered in the accompanying Equalities Impact Assessment.

Add text to provide any further information or evidence that should be considered in the accompanying Equalities Impact Assessment:

10 Please provide any further information or evidence that should be considered in the accompanying Fairer Scotland Assessment.

Add text to provide any further information or evidence that should be considered in the accompanying Fairer Scotland Assessment:

11 Please provide any further information or evidence that should be considered in the accompanying Island Communities Impact Assessment.

Add text to provide any further information or evidence that should be considered in the accompanying Island Communities Impact Assessment:

12 Please provide any further information or evidence that should be considered in the accompanying Business and Regulatory Impact Assessment.

Add text to provide any further information or evidence that should be considered in the accompanying Business and Regulatory Impact Assessment.:

Part B: Strategic Environmental Assessment

13 What are your views on the accuracy and scope of the environmental baseline set out in the environmental report?

Add text to share your views on the accuracy and scope of the environmental baseline set out in the environmental report:

14 What are your views on the predicted environmental effects of the draft Circular Economy and Waste Route Map as set out in the environmental report? Please give details of any additional relevant sources.

Add text to share your views on the predicted environmental effects of the draft Circular Economy and Waste Route Map as set out in the environmental report:

15 What are your views regarding potential reasonable alternatives, in reference to the approach set out in the environmental report?

Add text to share your views regarding potential reasonable alternatives, in reference to the approach set out in the environmental report:

16 What are your views on the approach to mitigation, enhancement and monitoring of the environmental effects set out in the environmental report?

Add text to share your views on the approach to mitigation, enhancement and monitoring of the environmental effects set out in the environmental report:

About you

What is your name?

Name:
Carol Jennings

Are you responding as an individual or an organisation?

Organisation

What is your organisation?

Organisation:
Quakers in Scotland (Parliamentary Engagement Working Group)

Further information about your organisation's response

Please add any additional context:

The Scottish Government would like your permission to publish your consultation response. Please indicate your publishing preference:

Publish response with name

Do you consent to Scottish Government contacting you again in relation to this consultation exercise?

Yes

What is your email address?

Email:

SarahK@quaker.org.uk

I confirm that I have read the privacy policy and consent to the data I provide being used as set out in the policy.

I consent

Evaluation

Please help us improve our consultations by answering the questions below. (Responses to the evaluation will not be published.)

Matrix 1 - How satisfied were you with this consultation?:

Slightly satisfied

Please enter comments here.:

Matrix 1 - How would you rate your satisfaction with using this platform (Citizen Space) to respond to this consultation?:

Slightly satisfied
