

Do you think you are called to help West Scotland Area Meeting ?

There are lots of opportunities in the West Scotland Area Meeting to us help work better as a community.

These include being: -

Elders/pastoral care, health and safety co-ordinator, meeting for sufferings representatives, membership clerk, Area Meeting Clerk, Northern Friends Peace Board representative, Quaker Life Representative Council, nominations committee, registering officer and safeguarding coordinator.

What are these jobs and what skills are needed to do them?

You can get job descriptions from the nominations committee but, depending on the post, here are some of the skills needed:-

Basic IT skills, working with committees and clerking, listening and communication skills, self organising, Financial skills, editing.

What skills can you offer?

Everyone has skills to offer and we would like to hear from you too.

Are you a good organiser? Do you like doing accounts or writing newsletters? Have you some new ideas for welcoming young people to Meeting?

Remember you don't have to be perfect for the role as there is also training, through Woodbrooke online courses, available to help you gain more skills. Also there will always be previous post holders to help.

Find out more about giving service by contacting the nominations committee.

[As West Scotland Area Meeting is a registered charity we are obliged to appoint only members to certain executive roles (e.g. Treasurers, Trustees, etc.). There are many roles that attenders can carry out and are of great value to our work and witness. It is important to know this as some Friends are unaware of why some posts are offered only to recorded members.]
